

Nashik Municipal Corporation Education Department

Smart School Project

Nashik Municipal Corporation (NMC) in its approach to bring paradigm shift in school education & make high impact difference in the lives of the children by transforming government schools into Smart Schools, is looking for funding support and seeking partnerships from foundations, national/international institutions, CSR funding from organizations, Trusts, NGOs, Impact Investment firms, etc. under the Smart Schools project across multiple domains like ICT & digital learning solutions, physical infrastructure up-gradation, sports facilities, health, etc.

The Education Department of NMC envisages to transform the existing **100 Municipal Schools (88 Primary and 12 Secondary)** into Smart Schools in an endeavour to improve the quality of education delivery at schools by equipping them with the best and latest teaching methodologies. Through this transformative initiative, across **845 classrooms**, lives of around **29,000 students & 949 teachers** will directly be impacted.

The support may be provided in the form of funding, grants, donations, In-Kind resources or in the form of partnerships for execution and implementation of following key support areas:

1. IT Infrastructure Support:

- ✓ *Hardware:* Computer Lab, Interactive Panel/Smart Board and other IT equipment and Networking for setting up Smart School
